IWEP2023

工程物理

International Workshop on Engineering Physics

IWEP aims to build a platform marked by diversity, openness and innovation, and to promote innovation and industrial application by bringing together international experts, scholars and industry elite. On behalf of the organizing committee, we would like to cordially invite experts and student scholars from academia and industry to participate in IWEP 2023!

Engineering Village

Keynote Speakers

Prof. Juin J. Liou
IEEE fellow, Shenzhen
University, China

Prof. Xuexi Zhang
Harbin Institute of
Technology, China

Prof. Osman ADIGUZEL
Firat University, Turkey

Prof. Bin Zhu
Chief Scientist, Loughborough
University, UK

Prof. Huang Weixi
Tsinghua University,
China

Prof. Kim Choon NG
King Abdullah University,
Saudi Arabia

IWEP 2023 COMMITTEE

Thanks to everyone who joined the IWEP organizing committee, your support is our greatest motivation.

Conference Chair

Prof. Jiyun Zhao
City University of Hong Kong

Conference Co-chair

Prof. Xuexi Zhang
Harbin Institute of Technology

Technical Program Committee Member

Prof. Yang-Hui He, University of London
Prof. Fuyun Zhao, Wuhan University
Prof. Rachid MASOUR, University Sidi Mohamed Ben Abdellah
Prof. Mohammad Mehdi Rashidi, University of Electronic Science and Technology of China
Prof. Longfei Chen, Beihang University
Prof. Osman Adiguzel, Firat University
Prof. Tao Liu, Nanyang Technological University
Prof. Zhifeng Xu, Wuhan Institute of Technology
Prof. Jalil Manafian, University of Tabriz
Pengyan Wen, Tongji University
Roger Ren, Baise University
Kang Xiaomin, University of South China
Chengning Wang, Huazhong University of Science and Technology

HOW TO SUBMIT

Prospective authors are advised to submit full paper/abstract via the official email:
